## AVAILABILITY AND SITE SELECTION

The Hunter House Mobile Diners are booked on a “first come, first served” basis and available during the months of **May through September only**. Events outside of those months may be scheduled weather permitting. Booking is advised 6 months in advance to guarantee availability.

Customers may request either of the Hunter House mobile diners for their event. However, Hunter House reserves the right to determine which mobile diner will be used for the event given availability, site size and accessibility, and estimated number of attendees.

Due to their size and weight, the Hunter House food trucks require a large overhead clearance with enough space to maneuver the units and a firm, level surface for parking. We will do our very best to accommodate the location of your event, however we may require an on-site inspection.

Our food trucks are available for events in the greater Metro Detroit and Ann Arbor areas.
